Block 5 Seabraes Mill, 2 Seabraes Lane, Dundee, DD1 4NX

Description

Split across two distinct levels, Block 5 is ready to accommodate a range of companies - from creative gaming start-ups, to small but growing organisations. And everything in between.

After a significant refurbishment, the building boasts new flooring, pristine decorative finishes, and all-new fitted bathrooms, kitchens and shower areas. It's been split into 17 studios, all with very different characteristics, that are ready to be transformed into your perfect space.

And because it's part of the bigger Vision building, Block 5 residents will get access to that existing community of local designers, makers, and other creative businesses, as well as physical resources - like the atrium that's used for events, and so much more.

Location

The subject are located on Seabraes Lane which is located on the south side of Perth Road approximately 1 km west of Dundee city centre.

Perth Road is a busy main bus route and arterial route. This is a mixed commercial and residential area characterised by a good mix of cafes/restaurants, licensed premises and retail units, and the property is located at the western edge of the main city centre campus of the University of Dundee.

This is also a popular and densely populated residential area, mainly private residential flats, with a good proportion of these being student occupied flats.
