DESCRIPTION

The premises comprise a semi-detached unit constructed with a traditional steel portal frame and clad with insulated profile metal sheet to the elevations and roof. The roof also benefits from approximately 20% roof lights.

The external elevations are part profile metal sheet and brickwork, with powder coated double glazed windows to the offices.

The main estate road, car park to the front of the building and the yard area to the side elevation are block paved. The site boundary to the motorway is protected via a wooden fence and to the rear boundary is a wire mesh fence. The property is to be refurbished.
