Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

Energy efficiency rating for this property

This property's current energy rating is B.

Properties are also given a score. The larger the number, the more carbon dioxide (CO2) your property is likely to emit.

How this property compares to others

Properties similar to this one could have ratings:

If newly built

22 | A

If typical of the existing stock

63 | C

Properties are given a rating from A+ (most efficient) to G (least efficient).

Breakdown of this property's energy performance

Main heating fuel	Grid Supplied Electricity

Contacting the assessor and accreditation scheme

This EPC was created by a qualified energy assessor.

If you are unhappy about your property's energy assessment or certificate, you can complain to the assessor directly.

If you are still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation schemes are appointed by the government to ensure that assessors are qualified to carry out EPC assessments.
