Description

The building is a spectacular fully glazed pyramid, providing exceptional office accommodation on 5 floors together with a rooftop seating area, situated in the centre of Hornbeam Park.

Internally the central core provides access from the rear car park entrance and the upper ground floor entrance lobby, via high speed passenger lift and stairs to all floors, as well as toilets and shower facilities. The demised areas have carpeted 100% full access raised floors, with suspended ceilings and LED lighting throughout. The building has air source Mitsubishi City multi-heat recovery heating and cooling system combined with recovery ventilation for enhanced air quality. Secured by design, the building and demised areas are accessed by an infinitely programmable entry control system to give maximum flexibility and control. A barrier controlled car park to the rear provides parking for 13 cars.

The second floor currently has a combination of both open plan and individual offices and meeting rooms, which would be removed if open plan throughout is required.
