WELCOME TO SEGRO PARK TOTTENHAM. THE DIFFERENCE IS...

CENTRAL

Centrally located and well connected, enabling you to reach all of your customers in London and the South East, fast.

SUSTAINABLE

Outstanding sustainability features will enable every business to reduce their carbon footprint and save on energy costs.

EXTRAORDINARY

Exceptional warehouse and office specifications on a modern secure estate offering flexible space for all business needs, combined with smart building technology.

GREEN

Enhanced biodiversity and improved wellbeing are achieved through extensive landscaping, external amenity spaces, green walls, new trees, hedgerows and abundant planting.

CENTRAL

THERE ARE 'URBAN' WAREHOUSES, AND THEN THERE ARE 'IN-ZONE-THREE-AND-MINUTES-FROM-CENTRAL-LONDON' WAREHOUSES.

EVERYTHING IS WITHIN REACH

If being close to the heart of London is crucial to your business, then SEGRO Park Tottenham hits the spot. Within Zone 3, it is virtually unrivalled in its proximity to the large population of north and central London, unlocking access to a bigger community, more customers and greater opportunities.

SUSTAINABLE

MOST MODERN DEVELOPMENTS TRY TO BE CARBON NEUTRAL. THAT'S GREAT, BUT NOT QUITE AS GOOD AS BEING CARBON NEGATIVE.*

***SEGRO PARK TOTTENHAM IS CARBON NEGATIVE FOR THE LANDLORD'S BUILDINGS IN OPERATION**

A BENCHMARK FOR SUSTAINABILITY

DESIGNED TO DRIVE COST EFFICIENCIES AND REDUCE YOUR CARBON FOOTPRINT

SEGRO Park Tottenham has been constructed from sustainable materials, incorporating renewable energy and zero carbon technologies.

The buildings are highly energy-efficient with expansive photovoltaic (PV) panels providing discounted energy to help any responsible carbon-conscious business.

All units at SEGRO Park Tottenham are carbon negative* which further enables businesses to reduce their energy costs and carbon footprint.

SEGRO is a Gold Leaf member of the UK Green Building Council.

*Carbon negative for the Landlord's buildings in operation

CARBON NEGATIVE

for the Landlord's buildings in operation.

RAINWATER HARVESTING

to provide water for landscaping.

DISCOUNTED ENERGY

generated from rooftop photovoltaic (PV) panels.

ELECTRIC CHARGING

provided for cars and vans.

EPC A+

OUTSTANDING

DRIVEN BY DATA

All units at SEGRO Park Tottenham have the option to be equipped with our SMART Core package*, which features smart building technology and dedicated sensors to give real-time information about how the building is running and how it can become more efficient, reduce costs, and create a better working environment.

SMART Core will measure environmental data, energy use, motion, air quality and water consumption, among other things.

ENERGY USE

Energy and gas consumption reported on an hourly basis

ENVIRONMENTAL DATA

Measuring temperature, humidity and lighting levels

MOTION AND SPACE

Identifying how people move and interact with the space

WATER CONSUMPTION

Measuring water usage and trends

INDOOR AIR QUALITY

Measuring CO₂ and Total Volatile Organic Compounds (TVOCs)

*Terms and conditions apply.
Free trial for first 12 months.

OFFICES WITH A DIFFERENCE

Each unit delivers Grade A office space with contemporary interior finishes, an abundance of natural light, as well as landscaped terraces or 'Juliet' balconies.

-  First floor external balconies (Units 5–8) with impressive views to Central London, visible through the full-height glazing to the office spaces.
-  First floor 'Juliet' balconies (Units 1–4) and external green roofs.
-  Soundproofing for a comfortable internal environment.
-  Ample natural lighting to the offices and the wide, welcoming staircases.
-  Appealing canteen facilities in each unit.

GREEN

MODERN
DEVELOPMENTS
ARE DESIGNED FOR
PEOPLE TO WORK
EFFECTIVELY.
WE LIKE TO DESIGN
SPACES FOR OTHER
SPECIES TOO.

CREATING A POSITIVE ENVIRONMENT

The dedicated biodiverse amenity space, luscious green walls and expansive landscaping will improve air quality to provide habitats for pollinating insects and birds and create a stronger sense of wellbeing for all at the park.

EACH YEAR, THE LANDSCAPING ON SITE WILL...

↓ REMOVE TWO TONNES of carbon from the air

↑ ADD FIVE TONNES of oxygen to the air

132 new semi-mature trees (20+ years)

880 linear metres of new hedgerows

13% of the site is landscaped (over one acre)

2,000 sq ft of green walls

Image shows Units 7 and 8 Image shows Units 7 and 8

GREENER, PRODUCTIVE & SECURE

SEGRO Park Tottenham is built to create peace of mind for customers and to enable you to focus on the success of your business. The scheme is designed in accordance with the 'Secure By Design' principles.

A POSITIVE AND SECURE ENVIRONMENT

-  Landscaped spaces for everyone to enjoy
-  Outdoor seating
-  Outdoor gym
-  122 secure covered bicycle parking spaces
-  Secure and safe
-  Managed landscaped estate
-  Secure gated yards with CCTV
-  24/7 manned security gatehouse
-  No unauthorised access will be permitted
-  Fire alarms to all buildings
-  Fire hydrants on site

SEGRO is a UK Real Estate Investment Trust (REIT), listed on the London Stock Exchange and Euronext Paris, and is a leading owner, manager and developer of modern warehouses and industrial property. It owns or manages 9.9 million square metres of space (106 million square feet) valued at £20.9 billion serving customers from a wide range of industry sectors. Its properties are located in and around major cities and at key transportation hubs in the UK and in seven other European countries.

For over 100 years SEGRO has been creating the space that enables extraordinary things to happen. From modern big box warehouses, used primarily for regional, national and international distribution hubs, to urban warehousing located close to major population centres and business districts, it provides high-quality assets that allow its customers to thrive.

A commitment to be a force for societal and environmental good is integral to SEGRO's purpose and strategy. Its Responsible SEGRO framework focuses on three long-term priorities where the company believes it can make the greatest impact: Championing Low-Carbon Growth, Investing in Local Communities and Environments and Nurturing Talent.

Striving for the highest standards of innovation, sustainable business practices and enabling economic and societal prosperity underpins SEGRO's ambition to be the best property company.

See www.SEGRO.com for further information.
