EDINBURGH & M80/M9 NORTH

M8

Opportunities are available for occupiers to secure representation within Scotlands' largest fresh produce wholesale market.

City Property Markets have exciting opportunities within a new build extension to this award winning wholesale market as well as opportunities within the existing buyers walk.

The new build extension to the market allows a flexible combination of units to create bespoke accommodation for interested parties. This space offers the possibility of creating units up to some 1,200 sqm (13,000 sq ft) within this extension to the existing buyers walk.

We anticipate that this space will be of interest to complimentary uses to the existing range of tenants within this already highly successful wholesale market.
