## SALE CONDITIONS/DEVELOPMENT

### TIMESCALES

All sales will be conditional on planning being secured by the purchaser, with plans to be approved in advance by the seller.

The site will be sold subject to a Section 32 Agreement which will set development timescales that must be adhered to by the purchaser. The purchaser will have 12 months to secure planning permission and once secured the proposed development must be completed within 24 months. The Section 32 Agreement will document this and will also restrict the use to the proposed development. If a permitted development does not take place within the agreed timescale, then HIE will have a 'buy back' option.

### GENERAL

A closing date will be set for expressions of interest. HIE's decision making will normally be based upon the highest offer received although please note HIE is under no obligation to accept the highest, or indeed any, offer. Further to this, HIE has a duty to respond to asset transfer requests under Part 5 of the Community Empowerment (Scotland) Act 2015, requiring HIE to assess bids on a best value basis when there is a community interest in the property. We will notify interested parties in advance of whether bids will be valued on a best value basis prior to setting a closing date. For more information, see HIE's community assets webpage here (link below):
