LOCATION

South Gyle is located on the western periphery of the City of Edinburgh and is widely regarded as Edinburgh's premier business location. Key to the area's success is its excellent communication links to the A720 City Bypass and its junctions with the M8 motorway and the A8, providing direct access to the M9 and A90/M90 and Scotland's wider motorway network. Edinburgh Airport is only 5 minutes' drive away via the A8 and the Queensferry Crossing lies approximately 8 miles to the north and is approached via the M9/M90.

Rail links are also first class, with both South Gyle and Edinburgh Park railway stations serving the area

Communication links have been further enhanced by the development of the Edinburgh Tram network which provides a direct route from the airport via Edinburgh Park into the City Centre.

SITUATION

West Edinburgh Business Park is situated to the south side of South Gyle Crescent; the principal arterial route through South Gyle Industrial Estate. Convenience retail outlets are close at hand, as are the Gyle Shopping Centre and Hermiston Gait Retail Park.
