THE JOINT DEVELOPMENT PARTNERS:

ALCESTER ESTATES

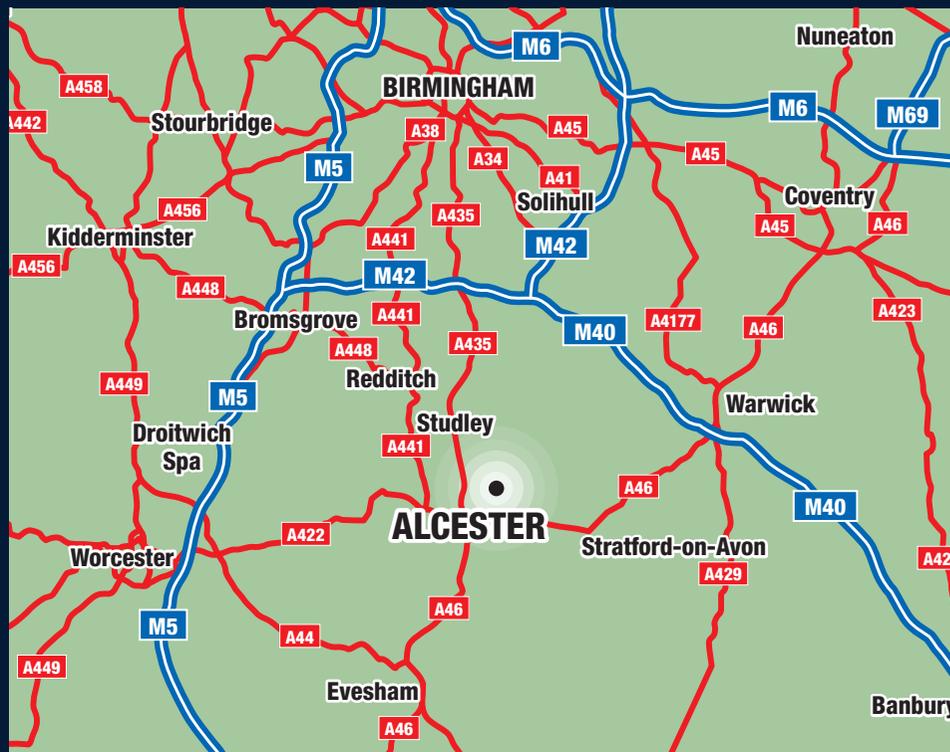

For over 50 years Alcester Estates Limited have been bringing jobs and homes to Alcester helping it to become the thriving town it now is. Alcester Estates have developed what is now known as Arden Forest Industrial Estate since the 1960's with several phases of Employment land being released to a number of developers over the years. In the most recent phase Alcester Estates have been the driving force in gaining an outline planning consent for 20 acres of Employment land to the North of Arden Road and have teamed up with one of the country's most successful Commercial Developers Graftongate to deliver a range of New Design and Build Industrial/Warehouse Units.

GRAFTONGATE

Graftongate is one of the UK's leading commercial real estate developers, renowned for creating strong business relationships and working with you to deliver the best solution for your business.

Since their inception in 2004, Graftongate have delivered more than £750 million of end value product, built over 7 million sq ft of commercial real estate, and have had 15 million sq ft of planning consents achieved.

2 million sq ft of space is currently either going through the planning process, consented, under construction, or available for immediate occupation.
