FOR SALE

1 Kings Road, Berkhamsted, Herts HP4 3BD

Location

The property is situated in the heart of the town centre, conveniently placed for easy access to the High Street, with the mainline station and all shopping facilities within easy walking distance.

Description

The property comprises an Edwardian two-storey workshop fronting onto Elm Grove together with a single storey car showroom fronting onto Kings Road. The plot forms an 'L' shape.

Planning

The property has been in use as a car showroom and repair workshop for over 20 years. A recent tenant of part obtained planning consent for the rear space for retail sale of bicycles and bicycle repairs. We believe that the property therefore has an established use as part 'Sui Generis' for a car sales.

We are of the opinion that the site could be developed to provide 2 x two bed apartments and a new 3 bed house off Elm Grove with parking. However no planning application has been made or initial Pre-App.
