Vehicular loading

Possibility to split unit sizes

## Description

### New Build Commercial To Rent

25-33 Parkhouse Street is a new mixed use development comprising 109 new homes and 14,540 sq ft of modern, flexible commercial space. Parkhouse Street in general is undergoing significant regeneration, with a number of new schemes in development.

The units benefit from ground floor ceiling heights of 5.4m and first floor ceiling heights of 3.2m. Vehicular loading will be available via the shared courtyard.

The new commercial space will be targeted towards a range of creative, mixed use businesses forming a highly desirable new neighbourhood. There will be a considerable green theme in the development, with the links to Burgess Park and shared courtyard, key aspects of the scheme.

The development neighbours Burgess Business Park in Camberwell. It is situated south of Burgess Park, providing a large green space. The area is serviced by various bus routes, leading to Peckham or Elephant and Castle.

25-33 Parkhouse Street, London,  
SE5 7TQ
