30 SEMPLE STREET | EDINBURGH

APPROACH

CAPTURING CARBON FROM THE PAST. CAPTURING IMAGINATIONS FOR THE FUTURE

Buildings are too often completely demolished. By stripping back to the original frame, 30 Semple Street has saved 3,300 tons of CO₂, more than 50% of the carbon that would have been used in reconstruction.

Out with fossil fuel boilers and in with clean heat. Out with poor environments and in with great spaces with natural light and windows you can open. Out with dated facilities and in with cycling, car charging, secure changing and great showers to support healthier people and environmentally friendly commutes.

The redevelopment adds two floors and the inviting new roof terrace has great views over the city. All new class-leading energy efficient systems, stunning contemporary facades, crisp aesthetics and amenities of the highest quality.

EXCELLENT WELLBEING FACILITIES

Put people first with healthy options for commuting, vehicle charging, air quality, daylight and castle views.

Cycle in, use one of 85 bike stations
and take a high-quality shower

LOCATION

30 SEMPLE STREET | EDINBURGH

LEADING THE CHANGE IN THE HEART OF EDINBURGH

A striking exemplar in the thriving commercial hub of the city. Easy walking distance from Princes Street & Haymarket Railway Station, 30 Semple Street has stature, prominence and a timeless aesthetic. A truly enviable location, close to Edinburgh's premier attractions and served by excellent transport networks.
