The scheme is situated in a highly prominent position off Elizabeth Street near to the corner of Cheetham Hill Road (A665) in Manchester, less than half a mile from Manchester City Centre and with immediate access to the inner city Ring Road.

Manchester Victoria only a 10 minute walk

Manchester Victoria station and Victoria tram stop are within close proximity to the scheme providing excellent public transport links within Greater Manchester and further afield to the region.

The scheme is in close proximity to Manchester Fort Shopping Park, which attracts millions of visitors per year and is home to a number of well-known brands such as Next, B&Q, M&S Food, Argos, & Boots to name a few. The City Centre's extensive retail and leisure offerings are also a 10 minute walk away.

Environment

Our Trade City and Logistics City concepts have evolved to be market leading in terms of environmental credentials, ensuring our developments, and the materials used, are sustainable.

From the initial design through to the final completion, our units are built with sustainable materials and energy efficient features, ensuring a lower environmental impact as well as reduced end-costs for the user.
