THE WORKS

The wellbeing of people and the local eco-system is central to the design of The Works.

Extensively landscaped areas will include the planting of 61 new semi-mature trees, improving the surroundings for visitors as well as providing wildlife habitats.

The estate provides a dedicated landscaped amenity space, including 10 bird boxes and 2 bat boxes, grassed areas, deciduous trees and shrub planting.

Outdoor seating with pleasant urban-garden surroundings.

76 secure bicycle parking spaces, with green roofs on cycle shelters.

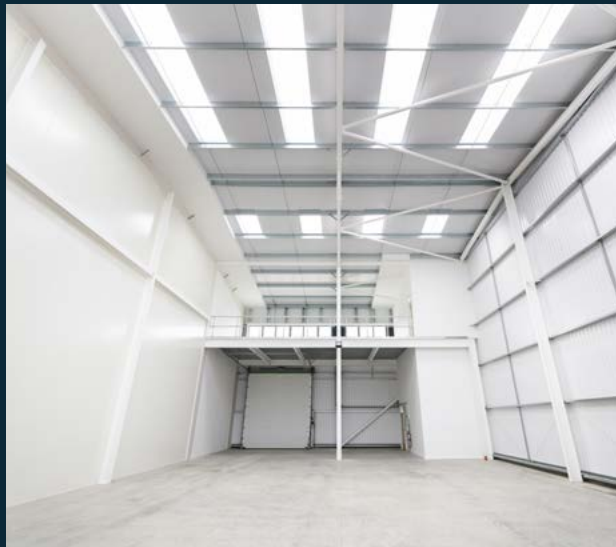

Green credentials

We take a forward-thinking approach to consider and minimise the impact of our developments on the environment throughout the course of their life cycle, from design and construction through to operation. Working with leading sustainability consultants, Chancerygate embrace the latest technologies and methods to achieve future-proof solutions.
