#### Location

The site is located in an area known as the Fabric District, on the western edge of Liverpool City Centre. The area is known as the Fabric District due to its historic associations with fashion and textiles and is located between Islington and London Road. The Fabric District is a key area for regeneration in Liverpool, with a long term plan to create new homes and working spaces, alongside leisure and recreational uses.

The Fabric District borders Lime Street and the Knowledge Quarter, which is home to the City's Universities and the  $\pounds$ 1bn Paddington Village Scheme.

#### Description

The site houses a part complete development where the intention was to provide 208 studio flats and commercial units. There has been substantial works on the site, including the main structure and roof, along with internal floors and stairwells. There has been more significant internal works to the first three floors, to create the individual studios and commercial units. The property is positioned on a site extending to circa 0.37 acres.

For various reasons we understand that the scheme that was commenced cannot be completed.

#### **Tenancies**

Available with vacant possession or sold subject to the existing sale contracts (see Price section below and Information Pack).

#### **Tenure Information**

The premises are held under a long leasehold title for a period of 150 years from  $27^{\text{th}}$  January 2017 at a peppercorn rent, under title number MS640794.

Please note that the lease is drawn in the form of a building lease with an option to acquire the freehold for the sum of £1 once development is completed. Due to the time elapsed since lease grant, there are a number of provisions that need updating in order to ensure the lease remains institutionally investable. Based on discussions with the local authority (as landlord) it is anticipated that the required changes can be made as part of the transaction process.

#### **Important Information/Planning**

There are various planning applications relating to the site.

Please request a copy of the Information Pack for further details but we would also recommend that all buyers make their own enquiries through Liverpool City Council.
