# Opportunity

Our available development sites, open storage, warehousing and office accommodation are situated within the secure confines of the Port of Newport, which is conveniently located 0.5 miles south of Newport city centre and 2 miles west of the M4 motorway (Junction 28).

The Port provides multimodal facilities, including direct quayside access, capable of accommodating vessels of up to 40,000 dwt. ABP has invested significantly in Newport over the past few years, in schemes such as new warehousing facilities, open storage areas, and additional rail sidings. The Port of Newport is a steel, metals, recycling and renewable energy hub. Existing occupiers on the Port include Sims Recycling, Origin Fertilisers, W.E. Dowds (Shipping) Ltd, International Timber and Speedy Hire.

## Location

Newport Docks fronts onto the A48 trunk road, with the port entrance accessed from the same. Junction 28 of the M4 Motorway is approximately 2 miles to the west and accessed via the Southern Distributor Road (SDR). Newport city centre is approximately 0.5 miles to the east and is accessed via the B4327.
