POTTERTON, ABERDEEN, AB23 8UY

INDUSTRIAL/STORAGE FACILITY WITH YARD

#### LOCATION

The property is located on the outskirts of Potterton approximately 3 miles north of Bridge of Don. The surrounding area is mainly rural in nature comprising a mixture of residential properties and farmland.

The property benefits from direct access to the B999 which provides immediate access to the A90 dual carriageway, which is the main arterial route north and south. Aberdeen city centre is located approximately 7 miles south east. Connectivity to the area will be significantly improved upon the completion of the AWPR later this year.

The location of the subjects can be seen on the map below.

#### **DESCRIPTION**

The subjects comprise mid-terraced industrial unit of steel portal frame construction off a concrete floor under a pitched roof. The roof has recently been replaced across the entire terrace. The subjects benefit from an eaves height of approx. 5.5 metres and one large electric roller shutter door. A second roller shutter door is due to be installed at the rear of the unit providing access to the concrete yard to the rear. There is potential to provide additional yard space to the front of the unit. There is also car parking is available at the front of the property.

#### **FLOOR AREAS**

The premises have been measured following the RICS Code of Measuring Practice (Sixth Edition) and the following gross internal floor areas were derived.

AREA	sq m	sq ft
