#### **LOCATION**

Dundee is located on the east coast of Scotland approximately mid-way between Aberdeen, circa 105 km (65 miles) to the north and Edinburgh, circa 96 km (60 miles) to the south overlooking the Tay estuary and has a resident population of circa 155,000 persons and a catchment of some 235,000 persons (census 2011).

Dundee is Scotland's fourth largest city and is the regional centre for employment, services and retailing within Tayside. The city has its own airport with daily flights to London and sits on the main east coast railway line which runs services into London (Kings Cross).

The ongoing regeneration as part of the waterfront development has been well documented and the opening of the V&A Museum has benefited the Dundee economy in terms of an extra £21 million in tourism revenue in 2019, helping establish Dundee as a major regional centre. In addition to this Dundee has seen significant investment within the renewable energy and decommissioning sector.

Local major employers include DC Thomson, BT, Dundee Council, Dundee University and Abertay University. All of which are located a short distance from the subjects.

The subjects are located on the north side of Panmure Street close to its junctions with Albert Square and Murraygate. The Murraygate is still regarded as one of Dundee's principal retailing areas, with the re-development of the Wellgate Shopping Centre into a leisure and entertainment centre likely to bring further interest and more national occupiers to the east side of Dundee City Centre. Nearby occupiers include Northwood along with a number of local retailers/office users.

#### DESCRIPTION

The subjects comprise the ground floor and basement of a mid-terraced 4-storey plus attic building of traditional stone construction.

Internally, the accommodation provides an open plan retail area and W.C with storage and staff facilities including WC's, in the basement area.

The property may suit a variety of commercial uses, subject to the appropriate consents.
