LOCATION

Redditch's location and accessibility are second to none. It is located within close proximity to three major motorways with Junction 3 of the M42 4.5 miles away, giving access to the M40 at Junction 3A of the M42 (Umberslade Interchange) and the M5 at Junction 4A (Catshill Interchange).

Redditch's internal road system is the result of major investment in the 1960s and 1970s, resulting in the smooth movement of goods and vehicles.
