# fully specced

The property offers a modern, well specified and low site density warehouse unit in a prime last mile logistics location.

The property offers flexible fit-out opportunities – representing a unique and rarely available product catering to a wide variety of occupiers. Its high quality specification and proximity to a large consumer base and market leading transportation networks make it the ideal addition to any national, international or regional occupier logistics network.

GATEHOUSE	GROUND	172	16.0
	<b>TOTAL:</b>	<b>121,029</b>	<b>11,244</b>

Approximate Gross External Areas

Locally economy highly focused on transport related activity

9.8% of total local employment is in the Transportation & Storage sectors vs. 4.6% for the wider South-East

Dartford ranked 3rd in a nationwide study into the top 15 national 'Employment Growth Areas 2015-2030'

72.8% of the local population are economically active

\*Potential for upgrade to 6MVA

# prime position

The property occupies a prime strategic location 2 miles from the M25 / Dartford Crossing, immediately off the A206 / University Way which provides direct dual carriageway access.

The proposed Lower Thames Crossing (target opening 2027) will create a new link between the A2 and the M25, providing an estimated 90% additional road capacity north of the River Thames. Nearby occupiers include Amazon, Wincanton, Ikea and Europa Logistics.
