OPPORTUNITY

As part of the Harringay Council's Local Plan, this site has been identified alongside the other properties within Omega Works area, as part of the Site Allocations to meet local housing demands and create new employment spaces. The Council have allocated this site in its current form as industrial premises with significant residential occupancy and the future deliver to be a mix use scheme. Interested parties should make their own enquiries with London Borough of Harringay.

DESCRIPTION

The property (Land Reg.No. NGL492043) comprises a two-storey former warehouse building fronting Hermitage Road. The building is strategically placed as the first building upon entering the Omega Works development.

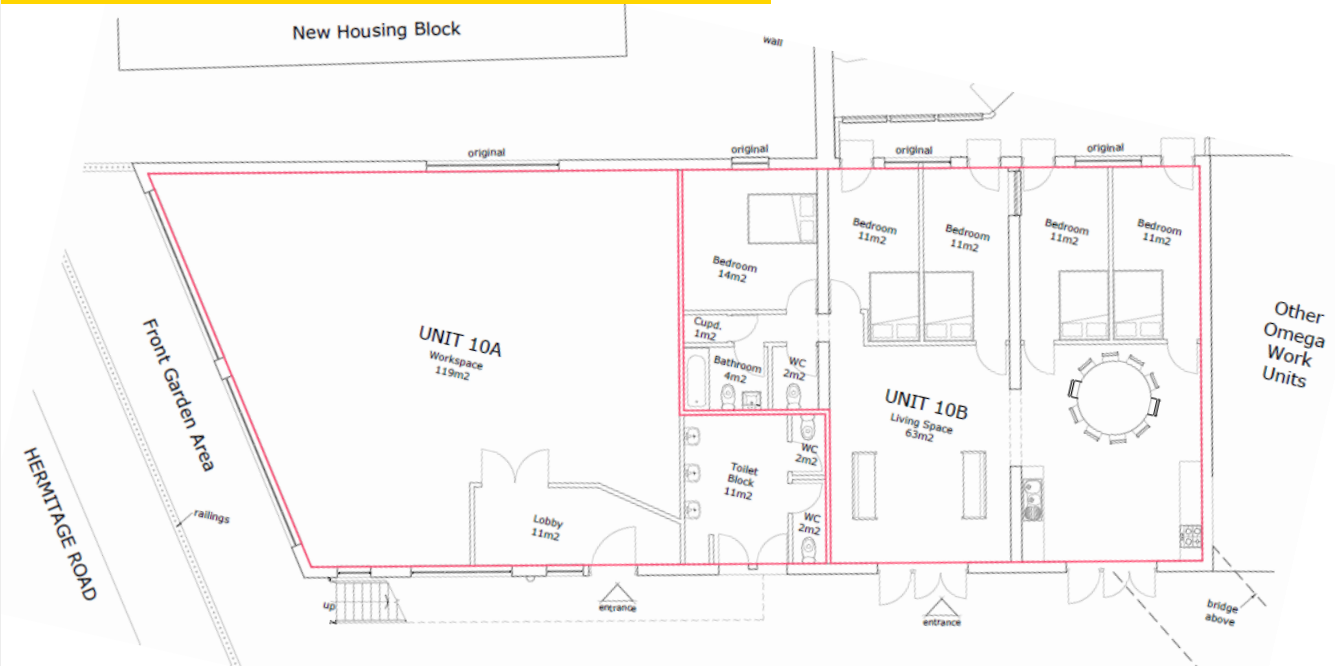

A large percentage of the building is currently let to a number of creative individuals and artists on AST residential use, with the balance of the site being used as commercial use. This building is a good opportunity for a developer or investor seeking redevelopment or conversion opportunities.
